Re: Mircea Fersedy

Dear Sir,

I am writing to urge the postponement of Mr Mircea Fersedy's hearing scheduled for May 26<sup>th</sup>, so that he may obtain a new attorney for fair and honest representation.

I have worked as a Registered Nurse for 38 years in all facets of medicine, surgery and mental health, and currently work at Beth Israel Medical Center.

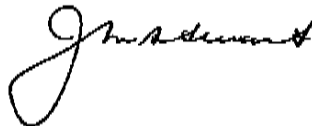

I have had the pleasure of conversing with Mircea Fersedy at a weekly Adult Forum I attend. Mircea is a delightful gentleman with a tender temperament; and I have found him to be quite lucid, alert, appropriate, articulate, well groomed and both mentally and physically functional and capable.

I am sensing something terribly wrong here, with false accusations and rushed proceedings intended to take away Mircea Fersedy's dignity, freedom, and rights as an American citizen!?

Thank you in advance for your strong consideration of my concerns and request.

Yours faithfully,

Joy Stewart
